

Town of Madrid Planning Board Minutes for July 2022

Attendees: Joe Finnegan Chr., Allen Kelly Sec., Bill Hull, Bruce Durant.

Meeting was Called to order at 6:32

Others:

Old Business: The Minutes for the Month of June were distributed electronically prior to the meeting for review of board members. A motion to accept those minutes as written was made by Bill Hull And seconded by Bruce Durant. The minutes were then approved by unanimous consent of the members present.

Conditional Approval of the May minutes Motion by Bill Hull seconded by Bruce Durant.

Status of the downtown project: It is currently underway. A team from Clarkson is involved in developing design and plans. They have been helpful in creating plans for parking along with benches and some small trees to be planted. A drain has been improved already. The State DOT is expected to be in agreement with the plans and the change of making Elm Street into a 1 way street. More needs to be done with the County and the Town Board to make approvals official. There seems to be agreement amongst all the interested parties so far and it is believed that this will move forward without much resistance. Members of the public will have to be given the opportunity to review proposals and voice any concerns before final approval can be made.

New Business: No new business was before the board this evening.

Motion to adjourn was made by Bruce Durant and seconded by Bill Hull.

The meeting was adjourned at 7:00.
